

# Terms and Conditions

FOR LIVE ACCOUNTS, COPY TRADING, PAMM, AND FUNDED ACCOUNTS

## Terms and Conditions Address Financial

---

### 1. Live Accounts

- Users trading on live accounts must adhere to the broker's established trading policies.
- Cashback is available for live accounts and is calculated based on trading volume.

### 2. Copy Trading

- Profit-sharing percentages differ for each strategy provider.
- Users are responsible for monitoring their copied trades and making adjustments as needed.

### 3. PAMM Accounts

- Investors can allocate funds to strategy managers and review their performance transparently on the platform.

### 4. Funded Accounts

- Users can set custom profit targets, loss limits, and profit-sharing percentages.
- Trades must remain open for at least 3 minutes under normal conditions and 15 minutes during high-impact news events.
- Hedging is not permitted on funded accounts.
- There are no trade volume restrictions and no time limits for these accounts.
- Users must trade for at least 5 business days per month; otherwise, their account will be suspended.
- Withdrawals are allowed only if the minimum required trading days have been met and the profit target achieved.
- If a funded account is lost, the user must purchase a new account.
- Refunds are not available for funded accounts.

### 5. Deposits and Withdrawals

- Deposits: Users can deposit funds using cryptocurrency, local currencies (Rial), or Visa cards.
- Withdrawals: Only Tether (USDT) is supported for withdrawals. Withdrawal requests will be processed within 24 hours. If processing exceeds this time, the user will receive 10 times the withdrawal amount as compensation.
- For cryptocurrency deposits, users must provide the transaction hash (TXID) for verification.

### 6. Decentralized Platform

- No identity verification is required as the platform operates in a decentralized manner.

### 7. Islamic Accounts

- Users can request Islamic (swap-free) accounts.

## **8. Fees and Conditions**

- Commissions, swaps, and spreads vary across stocks, assets, and currency pairs. These details are accessible on the trading platform.
- No cashback is available for funded accounts.

## **9. Trading Rules**

- Automated trading tools such as bots or expert advisors (EAs) are strictly prohibited.
- Account sharing or transferring access to third parties is not allowed.

## **10. Platform Features**

- There are no restrictions on trade volume.
- Users are encouraged to check their email regularly to stay updated with the latest announcements.

## **11. Inactivity Policy**

- Accounts with no trading activity for 5 business days in a month will be suspended.

## **12. Responsibility**

- Users are fully responsible for their trading decisions and outcomes.
